

KARTONEX SPÓŁKA Z O.O.

Kartonex Spolka z o.o. started operating in the paper industry in 1958. We produce packagings from corrugated paper and paper bags, even for the food industry. We have business partners in Poland, Lithuania, Germany, Denmark and Slovakia and are very interested in acquiring new contacts and clients from different markets and countries. Our advantages are: good quality, flexibility and qualified staff. Our production is set up in order to meet individual expectations of our customers and ensure quick execution times. Our partners' satisfaction is one of our primary goals and it helps us to develop and stay in a competitive market place.

Products & Services: Cardboard boxes, sacks from paper.
