

## BEiKS MACHULSKI

Our company is an authorized dealer for the biggest producers of video equipment in the world. Since 1999 we have been Panasonic dealers, since 2000 JVC and Canon dealers, and since 2001 Sony dealers in consumer, professional and broadcast range of products. Later, we became the sole distributor in Poland for a Japanese company called GrassValley, a commonly known producer of software and hardware for NLE production, the exclusive distributor of professional camera support systems for Australian company Miller and an official distributor of lighting equipment by Janiro, an Italian maker of professional studio and on-camera lighting. We also offer products by such companies as Audio-Technica, Cambo, Ediol, Fujinon, Kata, Manfrotto, Reinhardt, Røde, Rycote, Sachtler, Sennheiser, SoundDevices, Yoga and many others. We have offered such Polish products as: LED lights, stabilization systems and sliders since 2013. All of them are known in Poland for their outstanding quality .
