

LUBELSKA WYTWÓRNIA DŹWIGÓW OSOBOWYCH LIFT SERVICE S.A.

Lubelska Wytwórnia Dźwigów Osobowych, Lift Service S.A. was incorporated in 1991, based on Installation Cooperative operating since 1975. The headquarters of the company are located in Lublin. There is also a factory, employing over 160 people, which produces several hundred lifts a year, destined for the Polish and foreign market. Investments carried out in 2007–2009, involving the modernization of the production hall and the purchase of modern and innovative machinery, enabled the implementation of new production technologies and new products that meet our customers' expectations.

Produkty i usługi: Passenger and goods lifts with hydraulic or electric drive, lift shafts of self-supporting structure, lift control units, assemblies and components for various type of lifts.
