

CONSULTOR

CONSULTOR SP. Z O.O.

CONSULTOR Sp. z o.o. is a training-advisory company continuously in business since 1988. Consultor has strongly positioned itself on the local and national job market in the fields of training activity, job placement services and the personnel consultancy. The company operates in the entire country. It has got 16 regional offices in Poland. Consultor owns registered Private Institution of Lifelong Learning and Employment Agency in Poland and abroad. The company also implemented the ISO 9001 quality management system. The mission of our company is to counteract unemployment amongst Polish citizens and to support companies in creating the optimal personnel policy. We implement our goals due to trainings for the unemployed, the employed, the ones at risk of losing a job and those socially excluded, which are financed from the European funds. Our practical trainings are confirmed by certificates, consistent with MEN regulations and based on interactive learning methods. Moreover, we organize commercial trainings. Consultor conducts trainings for companies which enable them to upgrade employees' skills. These programmes are aimed at companies which are interested in acquiring new skills or qualifications by their employees and institutions ordering tailored trainings for their employees. Our company provides the following services which support the entire process of formal education: competency and
