

MEDICAL CENTER ORTO- OPTYMIST

The Medical Center ORTHO-OPTIMIST has provided medical care in the field of orthodontics, dentistry, orthopedics, rehabilitation and sports medicine since 24th September 2011. Center staff are a team of active people familiar with specific medical care for active people. We constantly cooperate with leading specialists from different disciplines, which provides optimal effects of our preventive measures and treatments. The Centre focuses on raising workers' skills and education. We began training activities in 2012.
